CLIENT SUCCESS

“ My counselor at Freedom Path Counseling is helping me heal from anxiety that I have struggled with for years. She has taught me to stay in the present moment and keep my thoughts off myself and keep them focused on God instead. She is very flexible with her schedule making sure I am always seen each week. *Freedom Path Counseling has always worked with me to make sure I can afford my sessions.* I am forever grateful!

“ I love my therapist - this woman saved my life. Sometimes you just need to return to your safe space to vent, receive accountability, get assistance with processing and a whole lot of love and prayer!

I was so mad every time my counselor gave me homework and then actually asked for it when I came in. Whew, I was ANGRY but she held onto me. From angry and broken to happy and restored.

Client Success ”

Freedom Path Counseling in Suwanee is definitely my go to for marriage/family therapy. They serve children/teens as well. We have had a great experience and love their mission to provide affordable therapy to those who need it. Our family has gotten great care there. Thankful you for all that they do!
